Camps

All future Princesses of Dance are invited to:

Tap, Tumble and Tiaras Princess Camp 3-5 yrs.

These future little dance princesses will receive the "Royal" treatment at Dance Expressions Summer Dance Camp! Our morning begins with creative movement songs and routines using wands and wearing tiaras. Then it's on to pre-ballet where we will use assorted props that twinkle and glow! During snack time a princess story will be read to continue the theme of wonder and enchantment.

Dancers will also be asked to bring their favorite princess costumes to wear over their leotards for the princess-themed craft segment.

We will end with exhilarating tumbling, tap dance basics and fun and games for developing gross motor skills! We invite you to our Royal Castle of Dance!

Descendants Dancing Hip Hopping Fun Camp 6-10 yrs.

This program will explore the different genres of dance we offer such as Ballet, Jazz, Hip Hop and Acro. If your dancer has lots of energy then this is where it's at. Each day will be different with crafts, activities, games and more. Dancers are asked to bring a snack and drink to recharge their "dance batteries" each day.

Summer Dance Intensive 11 and up

This program is intensely fun for the serious dancer. If your dancer wants to keep dancing in the summer then this is the perfect camp for him/her! They will train in all forms of dance with an emphasis on stretch and flexibility, strength and conditioning, and Acro plus so much more!!
